

CONFLICT OF INTEREST DISCLOSURE FORM

Manuscript Title (TR)	
Manuscript Title (EN)	

1. It should be clearly declared whether any financial and/or any moral support is received while this study was being carried out, from any pharmaceutical company that has a direct connection with the subject of the research, a company that provides and/or produces medical tools, equipment and materials, or any commercial company, that would impact the evaluation process of the study;
2. whether the author(s) or their family members are members of a scientific and medical committee or has relationship with such members, or are in a position of consultancy, expertise, employment, shareholding and similar situations, that would potentially present a conflict of interest;
3. whether any conflict of interest exists during the preparation of this study, data collection, interpretation of the results, and writing of the article. The interest gained should be stated and the relevant author should be mentioned.
4. This form should be signed by all authors.
